The Participatory Village Development Programme (PVDP) Sindh began its development journey in 1997, focusing initially on District Tharparkar. Mr. Dominic Stephen, the founder of PVDP, recognized the significant socio-economic and psychological challenges faced by the Thari communities and established the organization to address these issues. PVDP was officially registered on June 15, 1998, under the Societies Registration Act 1860, in Hyderabad. The organization's mission is to improve the quality of life for poor and disadvantaged communities by encouraging them to organize and mobilize for holistic social change.

PVDP operates in some of the most challenging, poverty-stricken, and disaster-affected districts of Sindh Province, aiming to support the most vulnerable populations. Since 1997, the organization has been engaged in drought mitigation efforts in District Tharparkar, helping thousands of families become resilient to drought. In 2010, PVDP expanded its efforts beyond Tharparkar to assist flood-affected communities in severely impacted districts, including Khairpur, Thatta, Umerkot, Mirpurkhas, Badin, and Sanghar.

The organization's core focus areas include poverty reduction, drought mitigation, primary healthcare, primary education, community empowerment, disaster risk reduction, and emergency disaster response.

Participatory Village Development Programme (PVDP) Sindh is implementing a project title “Strengthening the livelihoods and Resilience of Vulnerable Agricultural Communities in Rural Sindh, Phase-2” Project with the support of Diakonie Katastrophenhilfe (DKH) in taluka Diplo, District Tharparkar.

Participatory Village Development Programme (PVDP) Sindh is hereby inviting sealed bids from reputable suppliers and contractors to participate in bidding for the below mentioned supply.
